**Re: Required Submission of Information  
Lower Darby Creek Area Superfund Site,  
Operable Unit 1 - Clearview Landfill  
Darby Township, Delaware County and and Philadelphia, Pennsylvania**

Dear Mr. Duncan:

The U.S. Environmental Protection Agency ("EPA") is seeking information related to the release, or threat of release, of hazardous substances, pollutants or contaminants into the environment from Operable Unit 1 of the Lower Darby Creek Site ("Site"). EPA is investigating the source of contamination in the vicinity of the Clearview Landfill, also known as Heller's Dump (collectively, "Clearview"), located at or near 83<sup>rd</sup> Street and Buist Avenue in Philadelphia, PA and bordering Darby Creek in Darby Township. The Site also includes the Folcroft Landfill and Annex located approximately two miles away in Folcroft Borough, Delaware County. This information request is limited to Clearview. American Stores Company was identified by an employee of Charles Crumbley, Inc. who recalled transporting waste from a Philadelphia area American Stores facilities and disposing of such waste at Clearview (see Enclosure F). EPA believes Supervalu, Inc. is the successor to American Stores Company. The specific information required is attached to this letter as Enclosure E.

Pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e), EPA has the authority to require Supervalu, Inc. ("Supervalu" or "you") to furnish all information and documents in its possession, custody, or control, or in the possession, custody, or control of any of its employees or agents, which concern, refer, or relate to hazardous substances as defined by Section 101(14) of CERCLA, 42 U.S.C. § 9601(14), pollutants and/or contaminants as defined by Section 101(33) of CERCLA, 42 U.S.C. § 9601(33), which were transported to, stored, treated, or disposed of at the above-referenced Site.

Please respond in writing to this required submission of information within **thirty (30) calendar days** of your receipt of this letter.

If, for any reason, Supervalu does not provide all information responsive to this letter, then in its answer to EPA Supervalu should: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

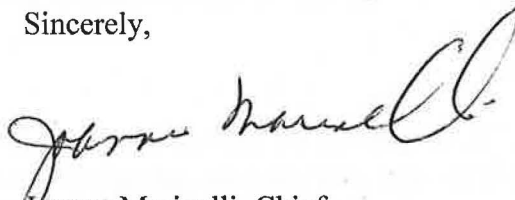

All documents and information should be sent to:

Ms. Maria Goodine (3HS62)  
U.S. Environmental Protection Agency  
Region III  
1650 Arch Street  
Philadelphia, PA 19103-2029

This required submission of information is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Section 3501, et seq.

If you have any questions concerning this matter, please contact Compliance Officer Maria Goodine at (215) 814-2488, or have your attorney contact Senior Assistant Regional Counsel Bonnie A. Pugh at (215) 814-2680.

Sincerely,

Joanne Marinelli, Chief  
Cost Recovery Branch

## **Enclosure A**

### **Business Confidentiality Claims**

You are entitled to assert a claim of business confidentiality covering any part or all of the submitted information, in the manner described in 40 C.F.R. Part 2, Subpart B. Information subject to a claim of business confidentiality will be made available to the public only in accordance with the procedures set forth in 40 C.F.R. Part 2, Subpart B. If a claim of business confidentiality is not asserted when the information is submitted to EPA, EPA may make this information available to the public without further notice to you. You must clearly mark such claimed information by either stamping or using any other such form of notice that such information is a trade secret, proprietary, or company confidential. To best ensure that your intent is clear, we recommend that you mark as confidential each page containing such claimed information.

### **Disclosure of Your Response to EPA Contractors and Grantees**

EPA may contract with one or more independent contracting firms (See, Enclosure B) to review the documentation, including documents which you claim are confidential business information ("CBI"), which you submit in response to this information request, depending on available agency resources. Additionally, EPA may provide access to this information to (an) individual(s) working under (a) cooperative agreements(s) under the Senior Environmental Employee Program ("SEE Enrollees"). The SEE Program was authorized by the Environmental Programs Assistance Act of 1984 (Pub. L. 98-313). The contractor(s) and/or SEE Enrollee(s) will be filing, organizing, analyzing and/or summarizing the information for EPA personnel. The contractors have signed a contract with EPA that contains a confidentiality clause with respect to CBI that they handle for EPA. The SEE Enrollee(s) is working under a cooperative agreement that contains a provision concerning the treatment and safeguarding of CBI. The individual SEE Enrollee has also signed a confidentiality agreement regarding treatment of CBI. Pursuant to Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and EPA's regulations at 40 C.F.R. § 2.310(h), EPA may share such CBI with EPA's authorized representatives which include contractors and cooperators under the Environmental Programs Assistance Act of 1984. (See 58 Fed.Reg. 7187 (1993)). If you have any objection to disclosure by EPA of documents which you claim are CBI to any or all of the entities listed in Enclosure B, you must notify EPA in writing at the time you submit such documents.

## Enclosure C

### Definitions

1. The term "arrangement" shall mean every separate contract or other agreement or understanding between two or more persons, whether written or oral.
2. The term "documents" shall mean writings, photographs, sound or magnetic records, drawings, or other similar things by which information has been preserved and also includes information preserved in a form which must be translated or deciphered by machine in order to be intelligible to humans. Examples of documents include, but are not limited to, electronic mail and other forms of computer communication, drafts, correspondence, memoranda, notes, diaries, statistics, letters, telegrams, minutes, contracts, reports, studies, checks, statements, receipts, summaries, pamphlets, books, invoices, checks, bills of lading, weight receipts, toll receipts, offers, contracts, agreements, deeds, leases, manifests, licenses, permits, bids, proposals, policies of insurance, logs, inter-office and intra-office communications, notations of any conversations (including, without limitation, telephone calls, meetings, and other communications such as e-mail), bulletins, printed matter, computer printouts, invoices, worksheets, graphic or oral records or representations of any kind (including, without limitation, charts, graphs, microfiche, microfilm, videotapes, recordings and motion pictures), electronic, mechanical, magnetic or electric records or representations of any kind (including, without limitation, tapes, cassettes, discs, recordings and computer memories), minutes of meetings, memoranda, notes, calendar or daily entries, agendas, notices, announcements, maps, manuals, brochures, reports of scientific study or investigation, schedules, price lists, data, sample analyses, and laboratory reports.
3. The term "hazardous substance" means (a) any substance designated pursuant to section 1321(b)(2)(A) of Title 33 of the U.S. Code, (b) any element, compound, mixture, solution, or substance designated pursuant to Section 9602 of CERCLA, (c) any hazardous waste having the characteristics identified under or listed pursuant to Section 3001 of the Solid Waste Disposal Act (42 U.S.C. § 6921) (but not including any waste the regulation of which under the Solid Waste Disposal Act, 42 U.S.C. § 6901 *et seq.*, has been suspended by Act of Congress), (d) any toxic pollutant listed under Section 1317(a) of Title 33, (e) any hazardous air pollutant listed under section 112 of the Clean Air Act, 42 U.S.C. § 7412, and (f) any imminently hazardous chemical substance or mixture with respect to which the Administrator has taken action pursuant to Section 2606 of Title 15 of the U.S. Code. The term does not include petroleum, including crude oil or any fraction thereof which is not otherwise specifically listed or designated as a hazardous substance under subparagraphs (a) through (f) of this paragraph, and the term does not include natural gas, natural gas liquids, liquefied natural gas, or synthetic gas usable for fuel (or mixtures of natural gas and such synthetic gas).

4. The term "pollutant or contaminant" shall include, but not be limited to, any element, substance, compound, or mixture, including disease-causing agents, which after release into the environment and upon exposure, ingestion, inhalation, or assimilation into any organism, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavioral abnormalities, cancer, genetic mutation, physiological malfunctions (including malfunctions in reproduction) or physical deformations in such organisms or their offspring, except that the term "pollutant or contaminant" shall not include petroleum, including crude oil or any fraction thereof which is not otherwise specifically listed or designated as a hazardous substance under CERCLA, and shall not include natural gas, liquefied natural gas, or synthetic gas of pipeline quality (or mixtures of natural gas and such synthetic gas).
5. The term "release" means any spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment (including the abandonment or discarding of barrels, containers, and other closed receptacles containing any hazardous substance or pollutant or contaminant), but excludes (a) any release which results in exposure to persons solely within a workplace, with respect to a claim which such persons may assert against the employer of such persons, (b) emissions from the engine exhaust of a motor vehicle, rolling stock, aircraft, vessel, or pipeline pumping station engine, (c) release of source, byproduct, or special nuclear material from a nuclear incident, as those terms are defined in the Atomic Energy Act of 1954, 42 U.S.C. § 2011 et seq., if such release is subject to requirements with respect to financial protection established by the Nuclear Regulatory Commission under Section 170 of such Act, 42 U.S.C. § 2210, or, for the purposes of Section 9604 of CERCLA or any other response action, any release of source, byproduct, or special nuclear material from any processing site designated under 42 U.S.C. §§ 7912(a)(1) and 7942(a) and (d) the normal application of fertilizer.
6. The term "waste" or "wastes" shall mean and include any discarded materials including, but not limited to, trash, garbage, refuse, by-products, solid waste, hazardous waste, hazardous substances, pollutants or contaminants, and discarded or spilled chemicals, whether solid, liquid, or sludge.
7. The term "you" when referring to an incorporated entity shall mean and include the incorporated entity and its agents and representatives, including, but not limited to, persons directly authorized to transact business on the entity's behalf such as officers, directors, or partners with which the entity is affiliated, employees, accountants, engineers, or other persons who conduct business on the entity's behalf, as well as affiliated entities, including, but not limited to, partnerships, limited liability companies, divisions, subsidiaries, and holding companies.

## **Enclosure D**

### **Instructions**

1. You are entitled to assert a claim of business confidentiality covering any part or all of the information you submit. If you desire to assert a claim of business confidentiality, please see Enclosure A, *Business Confidentiality Claims/Disclosure of Your Response to EPA Contractors and Grantees*. You must clearly mark such information by either stamping or using any other form of notice that such information is a trade secret, proprietary, or company confidential. To ensure to the greatest extent that your intent is clear, we recommend that you mark as confidential each page containing such claimed information.
2. Please provide a separate, detailed narrative response to each question, and to each subpart of each question, set forth in this Information Request. If you fail to provide a detailed response, EPA may deem your response to be insufficient and thus a failure to comply with this Information Request, which may subject you to penalties.
3. Precede each response with the number of the question or subpart of the question to which it corresponds. For each document or group of documents produced in response to this Information Request, indicate the number of the specific question or subpart of the question to which the document(s) responds.
4. Should you find at any time after submission of your response that any portion of the submitted information is false, misrepresents the truth or is incomplete, you must notify EPA of this fact and provide EPA with a corrected written response.
5. Any terms that are used in this Information Request and/or its Enclosures that are defined in CERCLA shall have the meaning set forth in CERCLA. Definitions of several such terms are set forth in Enclosure C, *Definitions*, for your convenience. Also, several additional terms not defined in CERCLA are defined in Enclosure C. Those terms shall have the meaning set forth in Enclosure C any time such terms are used in this Information Request and/or its Enclosures.

## Enclosure E

### Information Required

**In the following questions, the terms "Supervalu," "you," and "your" refer to the Supervalu, Inc. The term "AMC" refers to American Stores Company. The term "Philadelphia area" refers to southeastern Pennsylvania and southern New Jersey.**

1. Describe AMC's corporate history particularly as it relates to Acme Markets, Inc. and Supervalu. Your answer should include specific information on any mergers and acquisitions, name changes, asset purchases/sales etc. involving AMC and include complete copies of all relevant documents.
2. Is Supervalu the successor to any liabilities, including liability under CERCLA, associated with AMC's operations?
3. If your answer to Question 2, above, is "No," please explain your basis, including factual and legal arguments, for that belief. Include complete copies of all relevant documents.
4. What was the nature of AMC's business or activity in the Philadelphia area between 1958 and 1976? Please describe in detail.
5. Identify all persons currently or formerly employed by Supervalu or AMC who have or may have personal knowledge of AMC's operations and waste disposal practices between 1958 and 1976. For each such person, state that person's job title, dates of employment, current address, and telephone number. If the current telephone number or address is not available, provide the last known telephone number or last known address of such person.
6. Identify every hazardous substance used, generated, purchased, stored, or otherwise handled at AMC's Philadelphia area facilities between 1958 and 1976. With respect to each such hazardous substance, further identify:
  - a. The process(es) in which each hazardous substance was used, generated, purchased, stored, or otherwise handled at AMC's Philadelphia area facilities;
  - b. The chemical composition, characteristics, and physical state (solid, liquid, or gas) of each such hazardous substance;
  - c. The annual quantity of each such hazardous substance used, generated, purchased, stored, or otherwise handled at AMC's Philadelphia area facilities;
  - d. The beginning and ending dates of the period(s) during which such hazardous substance was used, generated, purchased, stored, or otherwise handled at AMC's Philadelphia area facilities;
  - e. The types and sizes of containers in which these substances were transported and stored; and

- f. The persons or companies that supplied each such hazardous substance to AMC.
7. Identify all by-products and wastes generated, stored, transported, treated, disposed of, released, or otherwise handled at AMC's Philadelphia area facilities between 1958 and 1976. With respect to each such by-product and waste identified, further identify:
- a. The process(es) in which each such by-product and waste was generated, stored, transported, treated, disposed of, released, or otherwise handled at AMC's Philadelphia area facilities;
  - b. The chemical composition, characteristics, and physical state (solid, liquid, or gas) of each such by-product or waste;
  - c. The annual quantity of each such by-product and waste generated, stored, transported, treated, disposed of, released, or otherwise handled at AMC's Philadelphia area facilities;
  - d. The types, sizes and numbers of containers used to treat, store, or dispose each such by-product or waste;
  - e. The name of the individual(s) and/or company(ies) that disposed of or treated each such by-product or waste; and
  - f. The location and method of treatment and/or disposal of each such by-product or waste.
8. Did AMC ever contract with, or make arrangement with any of the following companies: Clearview Land Development Company, the Clearview Landfill, Heller's Dump, Richard or Edward Heller, Eastern Industrial Corporation, Tri-County Hauling, Patrick Bizzari Hauling, "Charles Crumbley," Ace Service Corp./Ace Dump Truck, Edward Lawrenson, Inc., "Quickway," "Nu Way," "Bennie's Hauling," William Adams and Sons, "Al Gonnelli," Schiavo Brothers, Inc., "Maritime," Dorner Trash, Harway, Inc./Warren Harmon, Inc., Northeast Disposal, Donald Vile, Inc., Disposal Corporation of America, "White Glove Trash," or any other company or municipality to remove or transport material from AMC's facilities in the Philadelphia, Pennsylvania area for disposal between 1958 and 1976? If so, for each transaction identified above, please identify:
- a. The person with whom AMC made such a contract or arrangement;
  - b. The date(s) on which or time period during which such material was removed or transported for disposal;
  - c. The nature of such material, including the chemical content, characteristics, and physical state (i.e., liquid, solid, or gas);
  - d. The annual quantity (number of loads, gallons, drums) of such material;

- e. The manner in which such material was containerized for shipment or disposal;
  - f. The location to which such material was transported for disposal;
  - g. The person(s) who selected the location to which such material was transported for disposal;
  - h. The individuals employed with any transporter identified (including truck drivers, dispatchers, managers, etc.) with whom AMC dealt concerning removal or transportation of such material; and
  - i. Any billing information and documents (invoices, trip-tickets, manifests, etc.) in your possession regarding arrangements made to remove or transport such material.
9. Identify individuals employed by AMC who were responsible for arranging for the removal and disposal of wastes, and individuals who were responsible for payments, payment approvals, and record keeping concerning such waste removal transactions at AMC's Philadelphia, Pennsylvania area facilities between 1958 and 1976. Provide current or last known addresses and telephone numbers where they may be reached. If these individuals are the same person identified by your answer to Question 5, so indicate.
10. For every instance in which AMC disposed of or treated material at Clearview or other areas of the Site, or arranged for the disposal or treatment of material at the Site, identify;
- a. The date(s) on which such material was disposed of or treated at the Site;
  - b. The nature of such material, including the chemical content, characteristics, and physical state (i.e. liquid, solid or gas);
  - c. The annual quantity (number of loads, gallons, drums) of such material;
  - d. The specific location on the Site where such material was disposed of or treated; and
  - e. Any billing information and documents (invoices, trip tickets, manifests, etc.) in your possession regarding arrangements made to dispose of or treat such material at the Site.
11. Did AMC, or any other company or individual, ever spill or cause a release of any chemical, hazardous substances, and/or hazardous waste, and/or non-hazardous solid waste at Clearview? If so, identify the following:
- a. The date(s) the spill(s)/release occurred;
  - b. The composition (i.e., chemical analysis) of the materials which were spilled/released;

- c. The response made by AMC or on its behalf with respect to the spill(s)/release(s); and
  - d. The packaging, transportation, final disposition of the materials which were spilled/released.
12. Did AMC or any person or entity on its behalf ever conduct any environmental assessments or investigations relating to contamination at Clearview? If so, please provide all documents pertaining to such assessments or investigations.
13. If you have any information about other parties who may have information which may assist the EPA in its investigation of Clearview, or who may be responsible for the generation of, transportation of, or release of contamination at Clearview, please provide such information. The information you provide in response to this request should include the party's name, address, telephone number, type of business, and the reasons why you believe the party may have contributed to the contamination at the Site or may have information regarding the Site.
14. Identify the person(s) answering these questions on your behalf, including full name, mailing address, business telephone number, and relationship to the company.
15. Provide the name, title, current address, and telephone number of the individual representing Supervalu to whom future correspondence or telephone calls should be directed.
16. If any of the documents solicited in this information request are no longer available, please indicate the reason why they are no longer available. If the records were destroyed, provide us with the following:
- a. Your document retention policy;
  - b. A description of how the records were/are destroyed (burned, archived, trashed, etc.) and the approximate date of destruction;
  - c. A description of the type of information that would have been contained in the documents; and
  - d. The name, job title, and most current address known to you of the person(s) who would have produced these documents; the person(s) who would have been responsible for the retention of these documents; and the person(s) who would have been responsible for the destruction of these documents.

Philadelphia, PA 19132-4215

**Affiliation:** Former Truck Driver for Charles Crumbley, Inc.

**Telephone:** [REDACTED]

**Type of Interview:** In-Person

**Date of Interview:** March 3, 2006

On March 3, 2006, the WITNESS was interviewed at his place of business by Michael McCloskey, Senior Investigator, of Tri-State Enterprise. The WITNESS was interviewed as part of the Potentially Responsible Party search currently being conducted under Task 0001 Site 2 involving the Lower Darby Creek Area Site in Delaware County, Pennsylvania (the "Site.") This interview focused on the Clearview Landfill. The WITNESS was provided with a copy of the letter of introduction, advised of the nature of the questions to be asked and that the interview was voluntary. The WITNESS stated that he is not represented by an attorney in this matter and does not want an attorney. No other persons were present, and the interview was not tape-recorded.

During the course of this interview, the WITNESS responded to questions based on guidelines provided by the United States Environmental Protection Agency for former employees.

The WITNESS was shown an aerial photograph of the Site. This aerial photograph was used as a reference throughout the interview. The aerial photograph used during this interview will be forwarded under separate cover.

The WITNESS was asked to explain his association with Charles Crumbley, Inc. (CCI) and the Clearview Landfill.

The WITNESS stated that his father, Charles Crumbley, Sr., owned and operated CCI from approximately 1937 to 1988. The WITNESS stated that in 1988, CCI was purchased by Hancock Waste Removal. The WITNESS further stated that Hancock Waste Removal was purchased by Browning Ferris Industries (BFI) in approximately 1992.

The WITNESS explained that he was employed by his father at CCI from the time he was twelve years old in 1937 to 1988 when CCI was purchased by Hancock Waste Removal.

The WITNESS stated that he initially worked as a trash truck driver's helper. The WITNESS indicated that during the time the Clearview Landfill was open, he was a rear-end loader truck driver. The WITNESS indicated that CCI transported waste to Clearview from approximately 1965 to 1975.

ENFORCEMENT CONFIDENTIAL

When asked if CCI operated roll-off trucks during the time period the Clearview Landfill was open, the WITNESS stated that CCI owned approximately ten 40-cubic yard roll-off containers. The WITNESS stated that he did not drive a roll-off truck and did not know where the roll-off containers were located during the time period the Clearview Landfill was in use.

When asked the location of CCI, the WITNESS stated that CCI operated out of the same location as he currently operates A.J. Crumbley Enterprises, Inc.

The WITNESS was asked to identify the names and locations of customers from which he picked up waste that was transported to the Clearview Landfill. The WITNESS stated that he could not recall specific names of customers serviced by CCI during the time period the Clearview Landfill was open. The WITNESS stated that he does recall the location of some factories from which he picked up waste that was transported to the Clearview Landfill. The WITNESS provided the following locations:

- 22<sup>nd</sup> and Lehigh Street
- Sedgley and Lehigh Street
- 22<sup>nd</sup> and Arch Street
- 640 North Broad Street
- 19<sup>th</sup> and Cecil B. Moore
- 26<sup>th</sup> and Dauphin Street.

The WITNESS stated that CCI picked up waste at numerous restaurants and service stations; however, he could not recall any specific names.

When asked if he had any records relating to CCI the WITNESS stated "no."

The WITNESS stated that CCI picked up waste from the grocery stores listed below. The WITNESS stated that these stores had small corner stores throughout the Philadelphia area.

- A&P Stores
- American Stores.

The WITNESS could not recall the exact location from which he picked up waste from these stores.

When asked to identify other waste transporters who disposed of waste at the Clearview Landfill, the WITNESS provided the following:

- New Way: The WITNESS stated that New Way operated out of a garage on 69<sup>th</sup> Street. The WITNESS stated that New Way was purchased by BFI. The WITNESS stated that New Way operated numerous roll-off containers.
- Ace: The WITNESS did not know the complete name under which Ace operated. The WITNESS stated that Ace also transported waste in roll-off containers to the Clearview Landfill.

- Maritime: The WITNESS stated that he does not know the complete name under which Maritime operated. The WITNESS stated that Maritime transported waste in roll-off containers to the Clearview Landfill.
- Disposal Corporation of America (DCA): The WITNESS stated that DCA transported waste in roll-off containers to the Clearview Landfill. The WITNESS stated that Disposal Corporation is still in business and is owned and operated by James Jones.
- Vince Carrasella (exact spelling unknown): The WITNESS was not sure of the spelling of this company and could not recall the full name under which this Company operated. The WITNESS stated that this company disposed of waste in roll-off containers at the Clearview Landfill. The WITNESS stated that this company was located on Island Avenue near the Philadelphia Airport. The WITNESS stated that this company was purchased by BFI.

"I declare under penalty of perjury that the foregoing is true and correct."
